Cherie & Skylar & Tanya

Cherie and Skylar
met at work. Over
the months they
became friendly but
both were married.

It was difficult to
express their emo-

perfectly fine. Tanya
helped break down
the mental barriers
and then left the
two alone to work
things out.

I told my husband that I wanted to do some naughty photos before I felt too old. He didn't think I should, but I really wanted to, so I did and didn't tell him. I'm glad I did. These photos are really hot and I was reluctant to show him initially. But now that I've seen them, I think he'll like them. Don't you?

Estelle turned

My future wife – maybe?

My name's Oliver, I'm old enough to know that if you ever had a hangover, you know it sucks! This time it's a Saturday night, and I had a bad headache from drinking on Friday night, so I asked my brother for some aspirin and he gave me two – and it helped. I just gotta stop drinking, but not yet.

A couple hours later and feeling better, I got a call from my buddy Arthur, asking if I was into going out for a while and I said 'Sure.' He then asks if he could bring his girlfriend and her friend so I said that would be fine with me. A half hour later he calls me and said they decided to go over to their house. I say "Whatever, that's cool with me. Come get me."

They pick me up and we head out for their place. Arthur's girlfriend's friend, Estelle, was looking really fine with a great rack and long slim legs. She wore a nice simple dress and had a great smile with full sensu-

ous lips. When we got in Arthur's car, she sat in the back with me and we made small talk to get to know

each other a bit. When we got to the house we kicked back with some drinks and sat down to watch some television in the living room. When I noticed it, the new TV was huge. Arthur had been talking about getting a room-size TV and he almost did it.

"The thing is 66 inches. I had it shipped here." he said like a proud papa. The

any of us had ever seen. Thirty or forty minutes into the movie, I needed my drink refreshed and went into the kitchen with Arthur's girlfriend to get some for everyone.

As we were pouring the drinks and without even looking up, right out the blue, "Estelle wants your cock." she said. I looked at her and just smiled. I didn't

know what to say. When we came back to the living room, Estelle was now on the sofa and Arthur had moved over to the loveseat.

They were trying to get me to sit next to her and I did. The movie ends an hour later and Estelle puts her head on my lap as if to rest or catnap. But she then reaches over and puts her hand by my dick and began moving it around my crotch making my loins stir. She looks up, smiling at me and asked if I liked it and I told her I did. I look at Arthur and he motions me with a nod of his head that we can go use the guest bedroom.

Estelle took me by the hand and I followed her to the room. I closed the door behind us and turned the light off. She pulled me over to the edge of the bed and whispered "Get those pants off." I unzipped and slid them down halfway and she told me to lay down on the bed. Once I laid down she climbed on top of me and grabbed my dick and slid it in her mouth. It felt so good.

She was moaning while twirling her tongue around the tip of my dick and then she would go further down and come back up. It was great. I started to play with her boobs and she was go-

ing faster and faster until I couldn't take it anymore. I told her I was going to cum and she just kept sucking. I then shot load after load down her throat. Some was dripping on to my dick and she licked it off.

We stripped our clothes off and got horizontal on the bed. We fucked all night till the sun came up, then did it for a couple hours more. It was an amazing night and I've been seeing Estelle regularly. Her sexual appetite has not diminished and mine has grown. If things stay like this for a few more months, I may pop the big question.

I hope you liked my letter. I've never written to a magazine before and its probably going to be my only time, especially if I marry her.

— Manuel, St. Pete, FL

Just doin' my thing

Julie was a very sexy lady with the body of a top-model. She's a British bird and I met her when I was vacationing in Nassau. We met at one of the island bars and got to know each other over several piña coladas. We both discovered that we loved sex and decided to meet at that big hotel there to make it

To The Editor,

I love to watch ladies kissing each other. There's just something really sensual about two, or three sets, of feminine lips coming together with eyes closed and mouths open. When their tongues enter the action, then that's super hot.

And it's also super hot to watch one lady work her way, tongue first, down another's body to her boobs. Then suck on her nipples and leave a red lipstick mark on them. Hot!

Finally, I love to see women pussy licking each other. To see a long tongue, surrounded by red lips pushing it's way past puffy labia and into a wet pussy, Super Hot! Now that I write this letter, I realize it just might be the lipstick marks that are the turn on. They show that a pair of lips was there. Wayyyyy Hot!

— Jerry G., San Jose

happen. She invited me to her room and I was a little surprised when she asked me to sleep with her from the first night.

Of course, we began to kiss and then she asked me to lick her pussy. She was very satisfied, not only by the oral sex, but by all the positions we have tried, including doggy-style. I even had the courage to cum inside her, because I don't like to use the condoms.

I've been visiting her frequently in London and we've spent many a day and night together for over a year and our sexual experiences got richer and richer. Now I feel that I'm able to please a woman by doing anything she wants, regarding sex, that is.

After a year and a half we split and I met another Brit lady that I pursued for a few months. She was inat-

tentive at first, but I think my persistence wore her down. One day she agreed to have dinner with me by the beach and afterwards we went for a walk along the promenade.

We came upon a relatively secluded spot and I began to kiss her on her mouth, and after a few minutes, to suck her nipples until she got very excited and horny. I started to kiss her body and my dick got harder than ever. She went down on me and sucked it like a pro. What she could do with her mouth is only learned with practice.

She grabbed my cock and I pulled her panties aside as she found my cock and started to put it into her pussy. I began to push harder she started to moan loudly. I thought we were going to be discovered, but neither of us could stop. We both reached orgasm

quickly and we both were satisfied.

I was happy because I succeeded to fuck her after all the time I spent chasing her. After that first night, she wanted to make love every time and everywhere. We liked to go out into nature and have wild sex away from everyone which was like a dream to me, especially because we were living in a very cosmopolitan city.

One of my favorite positions is when the girl sits on top of me and bends her body down towards me. I also like to take her with her back to me on her knees – doggy style. I'm not a big fan of having sex more than two times a day, but during the warm and hot seasons, I'm ready to go all the time. I like European women and American women and would love to have sex with an Asian woman one day soon. I also like shaved pussy rather than the hairy pussy.

— Christophe, Houston

daydream believer

Charlotte runs a high-end limousine service in Las Vegas just off the Strip. Her clientele is the cream of the crop. Celebrities, high rollers, politicians and the like. Her drivers are very well paid and she checks each one personally. She wears black pencil skirts with stilettos, form fitting white blouses, and keeps her hair in a tight bun on the top of her head. Charlotte runs her business like the Swiss government: schedule, schedule, schedule. She cannot afford to have a limo late for anyone, anytime.

But Charlotte has her secrets. Turns out she's a fine lady with naughty guilty pleasures. It's been a year since her husband left her after twenty years of wedded non-bliss. They owned the business together, but he spent most of his time with two Vegas showgirls. But now Charlotte can't seem to stop thinking about being tangled up in a man's strong arms with his cock head firmly planted between her red glossy lips.

This man's package is bulging out of his pants. Licking her pouty lips,

she can taste the cherry flavor, but her mind drifts to wondering how his manhood would fit inside her hand. Would it take two hands? Would it fit in her mouth or would it be too big? What about in her sweet spot? Would he know how to find it, and when he did, what then? Her thighs quivered at the thought. Charlotte finished filing papers when she dropped a folder on the floor. As she bent over to pick

it up, she could feel his eyes watching the curves of her ample cheeks and thighs pressing against her tight pencil skirt.

Collecting the folder, she straightened the papers and dropped it onto her desk. While heading to turn the lights out, she noticed that a stretch limo was left turned on in a bay in the garage. Charlotte walked over to the car, admiring the sleek black

finish, steel rims, and long lines. No one was around so Charlotte slid into the driver's seat. Her fingers traced the dash and the steering wheel. The black leather was cool to her touch and felt like a man's tight behind.

The keys were in the ignition. Company policy so they never left the garage. Charlotte started the car, stepped on the pedal and the engine revved. Over the din of the motor she heard Andre's deep manly voice.

"Let it run, Charlotte." he said.

She looked out the limo door and over her shoulder to make out his broad shoulders, huge biceps and forearms. She stepped out of the car and closed the door behind her. Andre moved closer.

Charlotte was nibbling her lip trying to resist the urge to unzip his tight jeans and see what's underneath. Andre moved closer to Charlotte. His eyes looked intense as he smiled. Charlotte tried to maintain composure while suddenly realizing her top button must have popped off while she was getting out of the car. Charlotte blushed and tried looking away, but his gaze was so intense, she could feel her heart racing and her sweet spot was getting wet.

She couldn't hold herself back any longer. She reached for Andre's jeans and started on his zipper. Andre placed his hands on her hips as if he might push her back and resist, but suddenly he pushed

Charlotte against the hard steel of the limo. One hand held her head while the other hand pressed her body against his. He passionately kissed her. It'd been so long since she had been kissed so deeply.

Andre reached to unbutton her blouse, exposing the lacy bra underneath her blouse. Charlotte worked to get his jeans unzipped and laid her hands on his rigid cock. She became wetter down there just holding his hard cock between her hands. Charlotte knelt beside the car. She slowly pressed his cock head to her lips and then started taking his cock deep into her mouth.

His cock was wet with her saliva. Andre kissed her neck and suckled her nipples. Charlotte arched her back while her nipples hardened. Andre grinned as he squeezed her firm breasts. Charlotte moaned sounds she hadn't remember mak-

ing in years. She felt her pussy aching to feel him inside her.

Andre pulled Charlotte to the hood of the car. He reached behind her and unbuttoned her skirt and pulled the zipper down. Then he lifted her skirt and smiled at the black lace thong Charlotte wore to match her bra. Andre kissed her thighs and slid his tongue between her slit, tenderly stroking her while her juices drizzled onto his chin. He inserted one finger, then two.

Charlotte felt how tight she was. She knew this would hurt and she couldn't wait. She turned around to suck Andre again. This time, taking his cock deep into her throat while he fucked her mouth. Her boobs bounced with each thrust. She tasted his precum and it excited her even more than before.

With the engine roaring beneath them, Andre twisted her around to

face the hood. She bent over perfectly in her stilettos as she felt him push his cock inside her. Charlotte shrieked in pleasure – and pain. Andre thrust himself deep inside her with long hard strokes. She held onto the edge of the hood while Andre fucked her tight pussy. Her boobs were bare pushing down against the hot hood. She could see the two of them fucking in the reflection in the front windshield and Charlotte was turned on by the sight.

She flinched a little when Andre spanked her. Her cheeks were stinging, but each thrust of his cock melted away the pain. She felt his body tense as Andre told her to flip over. He then took down her skirt so that she was left wearing her stilettos with her bra undone. He slid her thong down her thighs and ankles.

Andre knew she wanted a deep, hard fucking. Her moans and body attitude told him so. The heat of her body and the heat of the car engine were making them both sweat. Glistening drops fell onto the shiny metal of the vehicle.

Charlotte wanted it bad and she knew Andre knew it, too. She didn't care how deep or hard. She wanted to feel his cock and she wanted to feel his cum. With Charlotte leaning back against the hood, Andre licked her slit. He could feel her clit pulsating beneath his tongue. He now knew she was ready. Charlotte felt Andre move his cock head between her pussy lips before he plunged inside her again. Charlotte moaned. Finally!

Charlotte raised her hands over Andre's head and around his back to pull him closer. He kept fucking

her harder, deeper. His balls were smacking her butt cheeks and her back was warm from the car engine. Andre kissed Charlotte again. She could taste herself on his tongue. She was wet and ready. Her nipples rubbing on Andre's chest while his hips dug deep into hers.

His arms were wrapped around her and she could feel his body tense up. With a few rapid, hard thrusts, Andre pushed his cock into her as far as it would go. With half a dozed hot spurts, Andre's cock shot its tremendous load deep inside her. Charlotte could feel his cum splatter against her sugar walls. Her juices mixed with his and slowly they dripped onto the hood of the limousine.

She nibbled on her lip as she came back to reality. Suddenly, Andre was knocking on the driver's side window.

"Hello? Charlotte?" he queried. "You've been sitting in there for a while. Are you okay?"

Charlotte blinked as she let go of the steering wheel and stepped out of the limo. She looked down at his crotch and saw his package was bulging in his jeans. She looked up at him and their eyes met. She turned to close the door and noticed a little wet spot lingering on the driver's seat.

Leaning back on the door, she adjusts her blouse and skirt and says to him, "Yeah, Andre. Everything's just fine. What are you still doing here?"

Desi

damself in dire distress

I've always been attracted to big cocks. Many times the guy wasn't all that appealing, but when he pulled his pants down and his cock out, my pussy would get wet. My mouth would salivate and my nipples would tingle. That's when I knew I needed that cock. There are ways that you can avoid seeing a guy's face, but rarely can you avoid getting near his cock. So, bring on that big one!

Sexy Vanessa

gives the best
customer service

Vanessa says she loves animals, nature, fast cars, classic black-and-white movies, porn, and of course, lots and lots of sex. When she's not fucking on camera, she says she likes to fill her weekdays and weekends with pussy-stuffing cocks. And the bigger, the better. She says she has no preference to older or younger men as long as they have the man-meat and can keep up with her. Now, we think that may be a formidable task.

This cock-loving sexpot's super-hot scene is free online for you and your cock.

THIS OPEN PUSSY'S FOR YOU

Chennin

Chennin says she sees this thick cock as a large juicy licking stick and can't wait to get her mouth around it. Her favorite ending is to have all that hot, hot jizz spurt onto her face. She'll then rub it into her skin because she says it keeps her skin looking young and firm. Just like the guy it came out of!
